

Annual Meeting 2026 – Travel Instructions from SFO to the Fairmont

1. From the terminals, proceed to AirTrain / BART (Bay Area Rapid Transit).

2. Board any **BLUE Line AirTrain** (free shuttle) to GARAGE G / BART
3. Exit AirTrain at Garage G / BART and proceed straight to BART. Board any Northbound train (**Yellow** or **Red** Line) toward San Francisco.

4. Exit BART train at Powell Street Station (28 mins, 10 stops), Take the stairs up to street level where you'll see the historic SF Cable Car turntable.

5. At the Cable Car turntable, board a Powell-Mason (PM) or Powell-Hyde (PH) cable car heading North (uphill) toward the Powell St & California St stop. Cable cars run every 10 minutes or less. This is a short (5-minute) ride, but it is quite steep so it's worth the ride. (For more info: [SFMTA Cable Cars](#))

6. Exit the cable car at Powell St & California. It's a one-block uphill walk to the hotel entrance at California St and Mason St or you can walk through the garage parking and locate the elevator to get to the lobby.

Important Notes:

- Your journey is reimbursable. Just keep track of your expenditures.
- This combined BART and cable car route takes approximately 45 minutes, incl. transfers.
- Rideshare likely won't get you there any quicker, and you'd miss out on the cable car!
- Once in the hotel lobby, you will see signs guiding you to the SW/MRS Annual Meeting which begins in the Grand Ballroom.
- You MAY be able to check into your rooms when you arrive (time permitting), but the hotel cannot guarantee early check-in, so most people will likely need to check in after the Thursday program. You can bring your bags to the ballroom with you.
- Please be sure to arrive in time to find the ballroom, check in at the meeting (beginning at 11:00AM), and find a seat before the 12:00PM start time.
